**the Club reserves the right at any time to move the boat for reasonable operational reasons to another position within the grounds without any liability for loss or damage however caused.**

Use of the Club Tractor is free for boat launching and recovery to those paying winter storage fees subject to availability, for boats with a maximum weight not greater than a Flying 15 – a major overhaul of the tractor is planned during which time it may be offsite or otherwise not available for use

**The tractor may be driven by an approved RWYC Tractor driver only**

RWYC members who paid in 2017 for either an on-jetty cruiser berth or at the rate for 12 months' sailing use of the boat do not pay any additional fees for winter storage
